PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following

Letter from the Master Attendant, Administrative Department, Madras, dated 22nd March 1884 N^o. 2803.

With reference to G. O. Financial N^o. 480, dated 5th March 1884, I have the honour to state that, for the reasons given in my letter quoted, the maintenance cost of the Cruz Milagre Dam works was admitted against the Port Fund, but, as since pointed out, the formation of islands and reclamation of land in shoal water between Ennacolam and Typeen operate injuriously towards those works, and hence the question of head to which the expenses should be charged requires reconsideration.
