It occurs to me that two separate & distinct works have been mixed together in above order. W.P.

(1). widening promenade between Napier bridge & Triplicane Creek bridge.

(2). constructing low stone wall along west side of Beach Road between Napier bridge & Pycroft's Road.

W.P. (2) is under the C.A. authority, within Chepak Park. — but W.P. (1) is I believe under S.E.V. & refers I believe to work on raised foot path along east side of road.

Please let me know if I am correct.
