Objectionable Item state-
ment (Local) for December/83
Reports on the —

Wick order

raised is settled, the Estimate will be framed & submitted for sanction.

This question will be settled in a few days.

Item No 3. A revised Estimate amounting to Rs 8460 for re-excavating the Boah Basin at Negapattam was submitted to govt thro' the Master

Attendant, Madras on the 23rd ultimo.

Item No 4. The President Local Fund Board Finerelly in his letter No 11 dated 15th January/84 states that the sum of Rs 1864, for improving road over Arthur Channel & bank, has been sanctioned by the Board of Revenue in their Proceeding dated 14th September/83 No 6035 Pontine; that the Board were requested by him to place the amount at the disposal of this Department, and that a copy of the Proceedings has been communicated to the Accountant General. The Examiners P.W. & should I think, address the Accountant General on the subject.

Item No 5. The President L.F. Board

* The objection with regard to the want of an Estimate can be removed as an estimate has already been sanctioned for the work & funds provided for in the Budget for 1883-84.

The revision of the present estimate is a separate question which is receiving attention.

Tanjore in his letter No 356 of the 28th ultimo states that an application will shortly be submitted to the Board of Revenue & that the funds required to cover the expenditure on Road No 70 from Anai-param Shuttaram to Sericottah, will be placed at the disposal of this Department before the close of this financial year. I have again written to him on the subject.
