I have the honor to submit, for the orders of Government, copies of letters noted in the margin received from Ry Yaikoji, of Madhiarjunam, regarding the further improvements to be made to his palace buildings as detailed in the enclosed estimate.

Dated 14th July 1883 and 21st September 1883.

2. The Executive Engineer, who was addressed on the subject, recommends all the items of the estimate, except No. 4, for sanction, and the total cost according to his estimate comes to Rs. 2,200.

3. The Executive Engineer says that the work, No. 4, is unnecessary, and that Nos. 1, 2, 3, 5, 6, and 12 are "improvements" to the buildings while the rest are simple "repairs." The cost of "improvements" according to the estimate amounts to Rs. 1,445 while that of "repairs" to Rs. 755.

4. I beg therefore that Government will be pleased to order the necessary steps to be taken for executing the *improvements* through the Public Works Department, and that they will be pleased to sanction an allotment of Rs. 755 for the necessary *repairs* to be carried out by this office if it is intended that the repairs of such buildings also should be carried out by me.
