Note of available funds.

The present estimate only deals with the cost of repairs and additions. The cost of purchase of the building &c. has not been included. The outlay incurred last year amounted to Rs 7,1568, and Rs 12,480 is the allotment in the current year.

The value of the building &c. appears to amount to Rs 40,900, to which if the cost of repairs &c. be added, the total will come to Rs 85,000. Of this sum Rs 7,1568 was spent last year, leaving Rs 13,432 to be incurred this year. Towards this, the current year's grant is Rs 12,480, which Budget Clerk would leave Rs 952 to be now appropriated.
