RESOLUTION.

Accounts—Rules.

It has recently come to the notice of the Government of India that local Governments have in more than one instance authorised the apportionment between two or more service heads of charges hitherto shown under one head only. There are so many and weighty objections to such division of charges that it should be allowed under very special circumstances. The Governor-General in Council desires, therefore, that in future local Governments will refrain from ordering charges to be shown under more than one head of account except with the previous sanction of the Government of India.

Order—

Ordered that the foregoing resolution be communicated to the several local Governments.
