He C gives the  
reversions which  
are necessary conse-  
quent on Colonel  
Mullins' return from  
furlough.

About the following  
down-steps there is  
apparently no question  
Col. Hasted from Ch. S. II<sup>nd</sup> to  
S. S. 1<sup>st</sup> grade -  
Col. Prendergast from S. S. 1<sup>st</sup>,  
temporary, to S. S. 2<sup>nd</sup> grade  
Mr. Randall from S. S. 2<sup>nd</sup>,  
temporary, to S. S. 3<sup>rd</sup> grade.

With regard to re-  
maining steps, Mr.  
Walsh is now offr.  
S. S. 3<sup>rd</sup> grade & Major  
Charles Supt. of Works.

Orders are required  
whether Mr. Walsh is  
to revert to Supt. of

S. A. W.

This matter I shall  
refer formally to W as  
his return. No action is  
necessary at present.

latter officer will then  
have charge of a Circle  
without corresponding  
allowances -

Major Viliant has  
been gazetted to the  
3<sup>rd</sup> Circle as Supt. of  
Works, but if his  
waleh is to get the  
allowance as Supt. of  
Works, Major Viliant  
will on his return  
have to take charge  
of the Circle only as  
an E. S. 1<sup>st</sup> grade.

One offg. E. S. 4<sup>th</sup>  
Supt. 4<sup>th</sup> grade also  
must revert to Asst.  
Supt. 1<sup>st</sup> grade. A  
statement is put up  
showing the officers  
who are now offg.

must be made from

them.

The Examiner has  
again brought forward  
the reversion from E. S.  
4<sup>th</sup> to A. S. 1<sup>st</sup>, consequent  
on Major Morant's return,  
but you have already  
dealt with this matter  
in a separate paper  
now waiting his order,  
so that the question need  
not be touched upon  
here.
