Note of 5 Jan. 84.

We do not send out
papers to Editors in
the Presidency Town.
Neither does your
office, I understand.
If we make an
exception in the case
of the C. C. Magazine,
others will require
the same indulgence.
So far as I am con-
cerned I think it
would be more con-
venient to send out
papers by post to
all Editors, but
this would not be
"Mamool". Is there
any reason for
continuing the "Mamool"
any longer?

If however a change
is to be made,
