SUPERINTENDING ENGINEER'S OFFICE,

MADRAS,

No. 20

Camp Ramandraya, Chopaluk, 14th April 1884.

From

S. Col. H. M. Vilar A. S.

THE SUPERINTENDING ENGINEER,

1st Circle,

To

THE

Chief Engineer
MADRAS

SIR,

Enclosures.

I have the honor to request that action may be given for the demolition of the Building known as the Sub Divisional Office at Madhanapally. The Executive Engineer reports that the Building is fast repair and that the walls bulges and the roof fell in during the rains of August last.

2. Plan and Estimate have been called for for a new Sub Division Office, which can be built on the foundations of the Building to be dismantled utilizing the old materials as far as possible.

I have the honor to be
Your most obed^t serv^t
