TO,

THE CHIEF ENGINEER

FOR IRRIGATION.

DOWLAISHWERAM, 21<sup>st</sup> March 1884.

SIR,

Sept. 24<sup>th</sup> March 84

I have the honor to state that the Executive Engineer Rushikulya Division represents, & I agree with him, that it is very advisable that he should have a small office tent to be used in one or other of his Sub Divisions as may be necessary.

2. He says Mr. Wood "is levelling along the line of Canal, most of which is out of the way of large villages so he finds difficulty in finding a place for his writer".

I have the honor to be,

Sir,

your most obedient

C. J. J. J.
