GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 12th February 1884, No. 178 W. :—

I have the honor to submit, herewith, for the orders of Government, a letter (to be returned) from the Controller of Military Accounts regarding the rent of the building hired for the accommodation of the Infant School in Fort St. George, together with a communication (to be returned) from the Executive Engineer, Presidency division, in which he intimates that there is no public building in the Fort which can, at the present time, be made available for the accommodation of the school; and to state, with reference thereto, that if, as I believe to be the case, the provision of accommodation for regimental schools is a duty which devolves upon the Public Works Department, the rent of the building in question is a charge which, with the approval of Government, should be met by the department under the rules laid down in Code paragraphs 1218—1221.

2. I have also the honor to request the favor of a reconsideration of the orders (G.O., No. 2158 W., dated 1st September 1881) authorising the repair of the building at the expense of the State, as, I submit, that the principle involved is opposed to the spirit of Code paragraph 1680.

ORDER—dated 16th February 1884, No. 422 W., Public Works.

The rent of the school seems to be a Public Works charge, and will in future be disbursed by the Executive Engineer.

2. Under Code rules, the Public Works Department can no longer undertake the repair of the building, and the garrison chaplain will be requested, in the Ecclesiastical Department, to state what sum he considers should be added to the rent (Rs. 85) now payable, in order to meet the cost of repairs which will in future devolve on the trustees of St. Mary's Charity.
