READ—the following letter from Major J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepāk, 29th January 1884, No. 1440:—

I have the honor to submit, for approval and sanction, a supplemental estimate, amounting to Rs. 12,940, for the manufacture of bricks at the Government brickfield. The original estimate, sanctioned in G.O., No. 1281 W., dated 2nd May 1883, amounted to Rs. 28,917. The supplemental estimate, herewith submitted, was found necessary to meet the additional demands for bricks on account of Government works which are now being pushed on very rapidly, and also a large indent from the Madras Municipality for bricks for the drainage scheme.

No. 235 D., Public Works.

Under Code paragraph 2140, the estimate should show the proposed outlay *and the materials to be received as outturn*. Please revise the estimate accordingly.
