MEMORANDUM.

The undersigned is directed to inquire whether there would be any objection to the connection of the Telephone Exchange office at Stonehouse, Ootacamund with the local Telegraph office, so as to admit of telegraph messages from the Secretariat and other offices in telephone communication therewith being transmitted over the telephone wires. If this could be arranged, it would be a great convenience as regards business, and would save much time which is now lost by messengers having to be sent with all telegraph messages.

2. The collection of charges is a matter of detail which will no doubt be easy of adjustment.

(Signed) J. SHAW-STEWART, Colonel, R.E.,
Secretary to Government, P.W.D.

To the Superintendent of Telegraphs, Madras Division.

From H. MALLOCK, Esq., Deputy Director-General of Telegraphs in India, to the Chief Superintendent, Government Telegraphs, Madras Division, dated Calcutta, 11th February 1884, No. 6344.

With reference to your No. 6260 of the 2nd instant and previous correspondence on the subject of utilizing the Ootacamund Public Office Telephone Exchange for the receipt and delivery of telegrams, I have the honor to inform you that draft rules on this subject are now under the consideration of the Government of India.

2. Pending the receipt of Government orders, the matter must remain in abeyance.
