READ—the following letter from Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Military Department, dated Fort St. George, 14th February 1884, No. 1005 :—

I have the honor, by order, to state, for the information of Government, that plans and estimate, the latter amounting to Rs. 12,930, for constructing barracks for a detachment of native infantry at Ootacamund have been approved by the Commander-in-Chief; but, as no provision has been made in the budget and His Excellency cannot recommend an alienation of funds from any of the important works for which grants have been allotted, he would suggest that the Government of India be asked to sanction a special grant for it, the proper housing of the detachment at Ootacamund being so desirable.

No. 761, Military.

Transferred to the Public Works Department, for favor of the necessary action.
