READ—the following papers :—

From Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Public Works Department (through the Military Department), dated Fort St. George, 8th February 1884, No. 856.

His Excellency the Commander-in-Chief being specially anxious that the ordnance stores at Bangalore should not be allowed to remain a day longer than is absolutely necessary in the old Fort, where they are now placed, I am desirous to solicit that if no reply has been received from the Government of India to the application * for a special grant of funds for the commencement of the entrenchment and Ordnance Depot within it at that station, Government will be pleased to invite the attention of the Government of India to this application by telegram, and strongly to urge the necessity for the grant.

* G.O., No. 3060 W., dated 2nd October 1883.
(Military Department, No. 5945, dated 6th November 1883).

2. I am to note that if the grant for this year is not made the additional demand which will fall on the ordinary grant for Military works next year will require that some of the very few works now proposed to be provided for out of it should be postponed, and as these are all really important ones, Sir Frederick Roberts hopes that this may be avoided.
