GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General
Establishment.

READ—the following letter from G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 11th February 1884, No. 195 G. :—

I am directed to acknowledge the receipt of your No. 12 I., dated 7th January 1884, applying for renewal of sanction to the establishment noted in the margin for the Tank Maintenance Scheme, and asking for further sanction to three temporary engineers on the same rate of pay for a second division.

	RS.
Local allowance for Superintendent of Works	100
1 Temporary Engineer	650
1 Do.	450
1 Sub-Engineer	300

2. I am to remind you that it was stated in paragraph 5 of your No. 3273 W., dated 11th December 1882, that the additional Superintending Engineer, who was ultimately provided for the scheme by means of the local allowance of 100 rupees given to an Executive Engineer acting as Superintendent of Works, would be required probably for one year only. Accordingly the allowance was sanctioned by the Government of India, and confirmed by the Secretary of State, for one year. Before extending this sanction it is necessary that valid reasons for the extension should be given, and I am to request that a statement may be furnished showing the work already done and remaining to be done by Colonel Montgomerie, the officer who is in charge of the scheme.

3. In regard to the establishment for the first and second Tanks divisions, I am to say that the Government of India will willingly accord sanction to the entertainment of temporary engineers, within the limit mentioned by you, on the Madras Government submitting the names of competent men; but I am to point out that hitherto no such appointments, requiring the sanction of the Government of India, have been proposed for the Tanks, unless Mr. Walnut, whose appointment was sanctioned for the Barur tank, is considered to belong to the Tanks division, and it is observed from the last distribution return that the division has been manned by members of the permanent establishment and temporary men for whose appointment the sanction of the Madras Government sufficed. Under these circumstances, the submission of the names of suitable engineers will be awaited, who may be utilised, after sanction, either in the Tanks division itself, or to set permanent officers free for employment in that division.

4. Finally, I am to state that the Government of India desires to impress upon the Government of Madras its preference to the actual improvement of the tanks of even one district, to the mere preparation of schemes in a large number of districts; and I am to request that this may be borne in mind both with regard to the extension of the appointment of Superintendent of Works and the plan of operations for the Tank scheme.

ORDER—dated 21st February 1884, No. 472 W., Public Works.

Communicated to the Chief Engineer for Irrigation for report on the subject of paragraph 2 of the letter from the Government of India, and for information and guidance as regards paragraph 4.

2. The Government of India will be addressed, with reference to paragraph 3, on receipt of the report now called for.

until we get back the total
ment proposed scale from S. L.
we cannot tell deal with this.
we can then see what more
can be spared from Div² above
the number we in excess.

Cd: Montgomery does not consider
I believe Mr de Claret an Officer
Engineer. he might send to him
the list of upper subordinates up
to be qualified for temporary Engineer
ships & ask him if any of them
would suit.

Mr Barker will probably get away
shortly on stop to S.E. temporary
Wing. He might take the
Tanks Div².

Cd: of S.E.'s concluding passage
might at once go to S.E. to
report as to whether he can
conveniently spare the services of
Temple-Harding who is peculiarly useful
for the Tanks Div² work.

I should like it to be explained
how a second Excc. Engineers
post in Tank Maintenance Scheme
is available.

From Pro: 77.1.84 4th 11. I
I gathered that the post of Asst.
of Works (held at present by
Col. Vibart) took the place
of one of the two Excc. Eng.'s
posts sanctioned for Tank
Maintenance.

- Put up, please a list
(1) of the Sub. Engineers recommended
for temporary Engineerships.

It seems to me the best
action to take is to nominate
to the Tank Division two of
these S. Es. of whom one might
take the place vacated by the
master as Col. Humphreys wishes
to retain the latter post.

- (2) We have 2 vacancies of temporary
Sub. Engineers - one to take Indian
engineer's place. Look up, Sir, if
there are applicants
likely to suit.

I have written also to Col. H.
Hendell to ask if he can let
us have Mr. Martineau.

GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL

472
9

To
The Secretary to the Government of Madras
Public Works Department

Fort William, 11th February 1884

Sir,

I am directed to acknowledge the receipt of
your No 12 I dated 4th January 1884, applying for
renewal of sanction to the Establishment noted
in the margin for the San B main-
tenance Scheme, and asking for further
sanction to three temporary Engineers
on the same rate of pay for a
second Division.

Local allowance for	
Superintendent of Works	100
1 Temporary Engineer	650
1 " " "	450
1 Sub Engineer	300

2. I am to remind you that it was stated
in para 5 of your No 3273 W dated 11th December
1882, that the additional Superintending Engineer
who was ultimately provided for the Scheme by
means of the local allowance of 100^{super} given to an
Executive Engineer acting as Superintendent of
Works, would be required probably for one year
only. Accordingly the allowance was sanctioned
by the Government of India and confirmed
by

by the Secretary of State for one year. Before extending this sanction it is necessary that valid reasons for the extension should be given, and I am to request that a statement may be furnished showing the work already done and remaining to be done by Colonel Montgomerie, the officer who is in charge of the Scheme.

3. In regard to the Establishment for the 1st and 2nd Tanks Divisions, I am to say that the Government of India will willingly accord sanction to the entertainment of temporary Engineers within the limit mentioned by you, on the Madras Government submitting the names of competent men. But I am to point out that hitherto no such appointments requiring the sanction of the Government of India have been proposed for the Tanks unless Mr. Halliwell whose appointment was sanctioned for the Barur Tank is considered to belong to the Tanks Division, and it is observed from the last Distribution return that the Division has been manned by members of the permanent Establishment and temporary men for whose appointment the sanction of the Madras Government sufficed. Under these circumstances the submission of the names of suitable Engineers will be awaited, who may be utilised, after sanction, either in the Tanks Division itself, or to set permanent officers free for employment in

that Division.

4. Finally I am to state that the Government of India desires to impress upon the Government of Madras its preference to the actual improvement of the Tanks of even one district, to the mere preparation of Schemes in a large number of districts, and I am to request that this may be borne in mind both with regard to the extension of the appointment of Superintendent of Works and the plan of operations for the Tank Scheme.

I have the honor to be,
Sir,
your most obedient servant
