READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 18th February 1884, No. 980 N.L. :—

The Superintendent of Post Offices called on the Executive Engineer, Nellore division, in December last, to take charge of the post office building at Nandavaram, no longer required by his department.

2. As the building was not wanted by us, I asked the President, Local Fund Board, whether the building was of any use to them, and whether the Circle Board of Nellore would take it over.

3. In reply, the President informs me that the Circle Board, by the Resolution, No. 244, of the 1st February, agree to take over this building, the property still vesting in Government, the duty of maintenance alone devolving on the Board.

4. Nandavaram is about 10 miles west of Atmakur, on the road to Udayagiri.

5. I beg to recommend that the transfer of the old post office, on the terms mentioned, be sanctioned by Government, and request that the necessary orders may be issued, permitting me to hand over the building.

ORDER—dated 29th February 1884, No. 552 W., Public Works.

Sanctioned on the terms mentioned.
