What is the object of this return? Does it serve any good purpose asking S.E's to submit returns to show how they make use of the administrative power conferred on them? And why must ours go to Examiner?

Has any particular action ever been taken on any of these returns?

C.J.
23-2-84

To D.W.

The *raison d'être* of the return is that it is required by the P.W. Code. Personally I can see no use for it and do not remember that any particular action is ever taken on it in this office. If a Subordinate is unjustly dismissed by a Supdg. Engr. he has the right of appeal and experience shows that this right is freely exercised. No other check on the action of Supdg. Engrs

is, I think, needed.

Please read note on back & remark of C.

It seems to me desirable to abolish returns & records which are of no practical value; so far as I can see this return is useless & seems to trench on the discretionary powers of S.Es.
