READ—the following letter from J. W. RUNDALL, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 26th February 1884, No. 2998 K.S.:—

In forwarding, herewith, post copy of a telegram just despatched to you, I have the honor to report that, as the revenue officers are unable to settle the question of the boundary of the property, I am unable to return to you the draft conveyance received with your No. 2544 C. of the 18th December.

2. The dispute is as to the boundary between the late Colonel Winscom's property and that now owned by the Rev. Mr. Harrison on behalf of the Church Mission Society.

3. I observe in the draft conveyance that a definite area is mentioned as attached to the house. If there are any documents relating to this area in possession of Messrs. Barclay and Morgan, it would be well to send them, to aid in the settlement of this matter.

4. As the conveyance cannot be returned in time to admit of the money being paid over this year, I have surrendered the grant.

ORDER—dated 4th March 1884, No. 597 W., Public Works.

Paragraph 3 of the Superintending Engineer's letter will be referred to the Government Solicitor, who will be requested to furnish Mr. Rundall with such information as to boundaries as may be available.
