READ—the following despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 7th February 1884, No. 2 P.W. :—

Your Excellency's Public Works letter, No. 47/3574 W., dated the 14th December 1883, submits for my sanction a proposal to increase the salary of Mr. Gunther, Foreman Engineer of the Madras Harbour Works, from Rs. 300 to Rs. 350 per mensem, with effect from the date reconstruction of the works may be taken up.

2. I have recently received from the Government of India papers connected with the method to be adopted when reconstruction of the harbour is undertaken, including the last report of the committee appointed by your Government, and I am about to place these papers before the Special Committee of Engineers in this country, whom I have already caused to be consulted, in view to a final determination of the question involved. As soon as this committee have reported, and reconstruction has been taken in hand, the question of an increase to Mr. Gunther's salary can be raised, if thought necessary by the responsible officer, or body, who may then be in charge of the Harbour works. Meantime consideration of the matter can be postponed.

ORDER—dated 5th March 1884, No. 609 W., Public Works.

Communicated to the Superintendent, Madras Harbour Works, with reference to paragraph 4 of G.O., No. 3574 W., dated 14th December 1883.
