Actual expenses of Rs.

that sanction may be given
to the Exe. Engineer, B. Land
for drawing -

C. No 1987

The Examiner points out that Govt must be satisfied as to the "necessity" for the journey by rail. The journal does not explain this. The opinion of the Suptg Engr seems required?

S.S.
4.3.84.

The S.E. recommends the want & it must therefore be assumed that the journey by rail was a necessary one & that the claim comes within the rules. Draft sanction. C.S.
