READ—the following paper:—

From J. F. FINLAY, Esq., Officiating Under Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to Government, dated Calcutta, 16th February 1884, No. 960.

I am directed to acknowledge the receipt of your endorsement, Mis. No. 31, dated the 21st January 1884, submitting, for confirmation, the Proceedings of the Government of Madras sanctioning the grant of halting allowance for a period of 16 days to Mr. Garthwaite, Inspector of Schools, while at Calicut in February 1883.

2. In reply, I am directed by the President in Council to convey the confirmation of the Government of India to the sanction accorded by the Government of Madras, and to say that section 29 of the Civil Travelling Allowance Code empowers local Governments to exempt at their discretion any officer from the operation of the 10 days' halting allowance rule. It is no doubt the case that the rule under section 29 in page 16 of the code prescribes the conditions under which as a rule the discretion of the local Government should be exercised, but the Government of India having indicated the manner in which the rule should ordinarily be worked, is willing that the final decision in all cases when an officer halts for more than 10 days should rest with the local Government.
