GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper :—

Proceedings of the Government of India, Department of Finance and Commerce (Accounts, &c., Stores), dated Calcutta, 26th February 1884, No. 1128.

Read—the following papers :—

Letter from the Mint Master, Calcutta, No. 34, dated 8th January 1884.
Letter to the Mint Master, No. 646, dated 30th January 1884.

Resolution—

It has been represented that the Calcutta Mint is sometimes required to make articles for other departments of the public service, the manufacture of which occasionally interferes with the legitimate work of the Mint. In order to prevent any inconvenience to the Mint that might arise from the existing procedure, His Excellency the Governor-General in Council is pleased to rule that no department or Local Government shall, as a matter of right, call on the Mint Master to do work not falling within the scope of the ordinary work of the Mint. The Mint Master should, however, undertake work for a department or local Government when he finds that he can safely and economically do so with reference to the amount of coinage going on at the time.

2. These orders apply also to the Bombay Mint.
