Certified that qualifying service in inferior grades has been duly proved for 34 years and 3 days, and that, should Government be pleased to treat the service as a cavalgar as equivalent to that of lascar, to which the name of the appointment was changed from 1st April 1874 as qualifying inferior service, an invalid pension, not exceeding Rs. 2-8-0 per mensem, equal to half of his pay at Rs. 5 per mensem, will be admissible, with effect from 4th June 1884, under sections 106 and 121 (b) of the Civil Pension Code.

2. With reference to Accountant-General's (Madras) letter, No. J.A.E.-327, dated 1st November 1884 (copy attached), it is for Government to decide whether the appointment of cavalgar held by the applicant from 1st June 1849 to 31st March 1874 is pensionable. From 1st April 1874, the designation of the appointment was changed to that of lascar, but no authority is forthcoming for the change. ENCLOSURE.

From W. HUGHES, Esq., Executive Engineer, Tanjore, to the Superintending Engineer, VI Circle, dated 4th March 1885, No. 499.

In returning your endorsement, No. 1652 T.J., dated 25th January 1885, I have the honor to inform you that as there are no records in this office to show whether the services of Veeran, late lascar of the Conservancy establishment from 1st June 1849 to 31st March 1874, are pensionable, I am unable to give my opinion in the matter. The applicant has also no records with him relative to the above service as reported in this office No. 3164, dated 19th September 1884.

2. From the note made in the pay abstract for April 1874, it appears that the designation of monigars and cotons of the Conservancy establishment have been altered to superintendent and lascars respectively under the then District Engineer's circular, No. 1146, dated 23rd March 1874, issued probably on G.O., No. 2068, dated 19th August 1873.

No. 1922-T.J.

True copy forwarded to the Examiner, Public Works Accounts, for information, with reference to his No. 229 S.E. 6th, of 2nd January 1885.

2. The undersigned is unable to state whether the service of Veeran, from 1st June 1849 to 31st March 1874, is qualifying inferior service.
