to Govt:—H.B. No 84 d/21st April/85.

The estimate amount:
= ing to Rs 908, for repairing
the tile press and brick
moulding machine in use
at the Brick-field,
Madras, is sanctioned.

2. This sanction is
registered as Prov. No
26 W of 1885-86, and
classified as Tools and

Sanction

Am "Departmental Head" and
"name of work" just correct in
this instance? It seems to me that
under "Tools & Plant" there must be no
such distinction as "Repair" - all work
under this head being simply "Tools & Plant".

DN. Please see code para
1949, in which the powers &
functions are given separately
for new supplies & repairs,
under Tools & Plant -

Please see also page Ixxii
appendix F to P.W. Code - Op.
private departmental head No. II
"Tools & Plant", "Repair &
Carriage" is given as a main
head.

W. This seems correct, but the
distinction seems to be a matter of
style.

NOTE OF REMARKS.

1. The accompanying is an
estimate for repairing the
tile presses and brick-mould-
ing machines now in use
at the 'brick-fields' at
Madras, and amounts
to Rs. 908.
2. C. A. writes - "These presses
are the old ones which
have been in use at the
Brickfields for some years
and the original cost, it
is believed was debited to
Tools and Plant."
