18th April 1885, No. 2059.

Pay and Allowances.

Read the following papers:—

No. 139. From Colonel C. CARTER, Controller of Military Accounts, to Lieut.-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Fort St. George, 7th February 1885, D.

In acknowledging receipt of Proceedings of Government, No. 167, of 12th January 1885, I have the honor to inquire whether it is intended that Captain Langley's dues should be readjusted precisely as set forth in para. 2 of the Government of India letter therein recorded, or whether it is intended that compensation should be allowed from the 1st November 1879 to the 5th November 1880 to make Captain Langley's receipts up to the total of Rs. 520 per mensem, the rate of pay and allowances sanctioned from the 29th January to the 31st October 1879.

2. It will be observed that compensation for moiety of staff salary as Assistant Engineer is only entered in the figured statement of monthly receipts opposite the period of 29th January to the 31st October 1879, while no compensation is shown for the subsequent periods.

3. As, however, it is apparently the desire of the Government of India that Captain Langley's receipts, while withdrawn for service, should be made up to the rate drawn while in the Public Works Department, I make this inquiry.

No. 140. To the Secretary to the Government of India, Military Department; dated 9th February 1885, No. 711.

In reply to your memorandum No. 711, dated the 9th February 1885, I am directed to state, for the information of the Governor in Council, that the pay of Captain Langley, R.E., while on special duty with the Sappers and Miners, should be adjusted as shown in para. 2 of Military Department letter, No. 704-B., dated 17th December 1884.
