Note.

In G.O. dated 6th May 1885, No. 10584,
the application for funds to the full
amount of the estimate, viz, Rs 17,887
for Sub Magistrates Office at Madurai
was ordered to be considered in connection
with the distribution of the Provincial
reserve on receipt of the usual statement
of demands. The S. E. accordingly in-
cluded the amount in his demand
statement received in this office on
the 14th May 1885. Subsequently
G.O. No. 1147 W of 15th May 1885, was
issued in which the S. Es were
asked to revise their demands on
the Provincial reserve in conformity
with the intention of Govt of India
to restrict expenditure. With reference
to this order, a revised statement dated
21st May 1885 was submitted by
the S. E., in which the provision for
the Sub Magistrates Office at Madurai
was omitted. No funds were therefore
provided for the work in the orders
on the statements of demands for
incomplete and minor works.

The reserve balance available
at present is Rs 63 only. If funds are
required for the work, it can be met
by additional funds being obtained

Further papers called
for, relative to Sub-
Magistrate's Office at
Madura, submitted.

Also a note by
the Budget Clerk
showing how it was
that no funds were
provided for the
work.

It is clear that nothing can
be done at present towards
providing funds, - but it
has of course been noted
that the work is deemed
urgent in the Judicial Dept.

I presume that that Dept.
is aware that funds have
not been allotted.
