READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 20th March 1885, No. 126 E.W.:—

I have the honor to forward, for sanction, an estimate, amounting to Rs. 1,200, for converting a portion of the new trace (8 miles in length from the Trevelyan shaft to the Sipathi river) on the Vayitri-Gudalur road, into a bridle path.

2. It seems indispensable that the trace should be preserved by making a bridle path along it, as otherwise it would soon be lost in the rapid growth of jungle.

ORDER—dated 31st March 1885, No. 806 W., Public Works.

The estimate, amounting to Rs. 1,200, for converting into a bridle path, a portion of the new trace from Vayitri to Gudalur, is sanctioned.

2. This sanction has been registered as Provincial No. 290 W. of 1884-85, and classified as Communications, Original Works.
