" Military ditto

Letter to the Right Honble, the Governor General
of India, in Council, of India Office, London,
19th Feby. 1885, No 36.

In a letter of the 2nd of December 1884, No 15, the
Government of Madras requested that payment
might be made at this office of a pension of
£ 100 per annum to Mrs. Travers, widow of the
late Col. J. O. Travers, Military Secretary to the
Maharajah of Mysore, and formerly of the
Madras 17th Foot.

2. In this instance, I have given instructions for the issue of the pension in accordance with the request of the Government of Madras, but, as it is obviously desirable that payments in this country on account of India should be restricted so far as they be practicable, I request that your Excellency will issue instructions that pensions granted by native states shall not in future, be made payable through this office.
