GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers:—

From Lieutenant-Colonel H. R. MEAD, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 11th December 1884, No. 549 T.N.

I have the honor to bring to your notice that, on receipt of your memorandum, No. 80 E., of 5th May 1884, I have dispensed with the services of the overseer's writer and appointed another man in his stead, and R. Gopalasamy Iyengar, who was appointed a temporary overseer in your memorandum, No. 1206 C., of 3rd July 1884, was posted to the Tenkarai taluk in place of Mr. Peters, whose services were dispensed with in the first of the memorandum quoted above.

2. It will be observed from the foregoing facts that the two vacancies were in the permanent establishment, and one was filled up by the appointment of a temporary overseer and the other by a permanent clerk. While this is the case, the Examiner, Public Works Accounts, in his list of disallowances from the salary bill of the Tinnevely division for August against the claim made for the salary of the clerk stated, "Audit deferred pending receipt of information as to the vacancy that admitted of the appointment of the clerk."

3. On furnishing the information required, the Examiner finally disallowed the claim on the ground that "the appointment of a permanent clerk under a temporary overseer being inadmissible," and that, "If the services of a clerk for employment under the temporary overseer are needed, he should be entertained as temporary with the sanction of Government."

4. On receipt of this reply, I explained to the Examiner clearly the circumstances under which the clerk was appointed, and requested him to pass his pay, and, lastly, he states, "under existing circumstances each overseer on the permanent establishment is entitled to a permanent clerk, and as the scale of upper subordinates is now over sanctioned scale, there are already the sanctioned number of permanent clerks in the whole Presidency."

"The scale for a particular division cannot therefore be considered separately. The temporary overseer in the division is only entitled to a temporary clerk, and this may be entertained with the sanction of Government."

5. I do not quite understand the Examiner's contention, for, supposing the services of the overseer were dispensed with, and not that of his clerk, and a temporary overseer is appointed to take his place, it does not follow that the services of the permanent clerk should be treated as temporary because the overseer is temporary.

6. Under these circumstances, I do not consider that it in any way affects the permanent clerk, whether the overseer is a permanent or temporary man, and I therefore request you will be good enough to order the Examiner to pass the clerk's pay, treating him as a permanent clerk.

7. As the clerk was working without pay for the last four months, I have authorised the Executive Engineer to disburse his pay.

Office Note from the Examiner, Public Works Accounts, dated 20th December 1884, No. 709.

ORDER—dated 5th January 1885, No. 10 W., Public Works.

As the clerk has already been appointed to the permanent establishment by the Superintending Engineer, the arrangement is confirmed, pay being admitted accordingly by the Examiner. It must, however, be understood that the clerk is to be absorbed on the occurrence of the first permanent vacancy.

2. The number of overseers' writers on the permanent establishment should be limited by number of permanent overseers sanctioned, and this can only be done by restricting appointments in the manner indicated by the Examiner.

Clerk for Temporary Overseer

Orders on letter from the Superintending Engineer, VI Circle, requesting that the Examiner, Public Works Accounts, may be authorised to pass the pay of the permanent clerk employed under temporary overseer Gopalasamy Iyengar.

Office of the SUPERINTENDING ENGINEER,

6TH CIRCLE.

Trichinopoly. 11 December 1884

No. 549 T.M.

From

The Superintending Engineer

6th Circle

To

The

Chief Engineer

P. V. S.

Sir,

ENCLOSURE

I have the honor to bring to your notice that, on receipt of your memo, No 80 E of 5 May 1884, I have dispensed with the services of the Overseer's writer and appointed another man in his stead, and P. Gopalasamy Iyengar who was appointed a temporary Overseer in your memo No 1206 C of 3rd July/84 was posted to the Tenkaree Taluk in place of Mr. Peter whose services were dispensed with in the first of the memo quoted above.

It will be observed from the foregoing facts that the two vacancies were in the permanent establishment

and one was filled up by the appointment of a temporary overseer and the other by a permanent clerk. While this is the case the Examiner P.H.A. in his list of disallowances from the salary Bill of the Financially D. for August against the claim made for the salary of the clerk stated, "Audit deferred pending receipt of information as to the vacancy, that admitted of the appointment of the clerk".

On furnishing the information required, the Examiner finally disallowed the claim on the ground that "the appointment of a permanent clerk under a temporary overseer being inadmissible" and that, "If the services of a clerk for employment under the temporary overseer are needed, he should be entertained as temporary with the sanction of Government."

On receipt of this reply I explained to the Examiner clearly the circumstances under which the

clerk was appointed and requested him to pass his pay and lastly he states "under existing circumstances each overseer on the permanent establishment is entitled to a permanent clerk, and as the scale of Upper Subordinates is now over sanctioned scale, there are already the sanctioned number of permanent clerks in the whole Presidency."

"The scale for a particular D. cannot therefore be considered separately. The temporary overseer in the Division is only entitled to a temporary clerk and this may be entertained with the sanction of Govt."

I do not quite understand the Examiner's contention, for supposing the services of the overseer were dispensed with, and not that of his clerk, and a temporary overseer is appointed to take his place, it does not follow that the services of the permanent clerk should be treated as temporary because the overseer is temporary.

Under these circumstances I do not consider that in any way affects the permanent clerk whether the overseer is a permanent or temporary man and I therefore request you will be good enough to order the Examiner to pass the clerk's pay treating him as a permanent clerk.

As the clerk was working without

pay for the last 4 months,
I have authorized the Ex-
cutive Engineer to disburse
his pay.

Office Note No. 709

To

W.

Encs. 1

There is no financial
ruling involved in the question.
The facts of the case are briefly
as follow:-

2. Under existing orders, each
Overseer on the permanent Establish-
ment is entitled to a permanent
clerk V. Class 1st. Grade. Mr Peters
Overseer on the permanent strength
of Upper Subordinate Establishment
was under these orders, allowed a
permanent clerk. The services of
Mr Peters and his clerk were dis-
penssed with under orders from
the Chief Engineer P. W. Department
and as the existing No. of Upper
Subordinates is now over sanctioned
strength, no permanent appointment
in place of Mr Peters' clerk was
admissible.

3. The Superintending Engineer

has inadvertently appointed as permanent under a temporary Overseer a clerk who ought to have been appointed as temporary. There is no permanent post vacant and the temporary post requires sanction of Government.

I propose to do so as to this - appoint a permanent Accountant as a temporary Clerk - Ram
