Under the circumstances explained in the accompanying letter from the Executive Engineer, West Coast division, I have the honor to request that the sanction given in G.O., No. 2811 W., of 10th November 1884, for a temporary draftsman to assist in working off arrears, may be extended, at Rs. 30 per month, to 31st December 1885.

ENCLOSURE.

From Lieutenant Colonel ROSS THOMPSON, R.E., Executive Engineer, West Coast Division, to the Superintending Engineer, IV Circle, dated Calicut, 14th April 1885, No. 186.

With reference to G.O., No. 2811 W., of 10th November 1884, I have the honor to request you will be good enough to obtain sanction to the services of the temporary draftsman being extended to the end of the current year, for a period of nine months, for bringing up the remaining arrears in this division.

2. A list of the plans and estimates to be prepared is herein enclosed. The temporary draftsman, Velayutha Naicker, who was appointed to bring up the arrears, did good work; but, finding that the place was very expensive and the small salary barely sufficient to keep him and his family, resigned his appointment on the 1st of this month to take up a more lucrative one with better prospects in the Trichinopoly district.

3. As the services of another draftsman are at present available, I would suggest that, in recommending the extension of a temporary draftsman for nine months longer, you will be pleased to suggest a monthly salary of Rs. 30 being given, as an inducement for the new man to remain in the West Coast.

ORDER—dated 13th May 1885, No. 1132 W., Public Works.

Sanction is accorded to the entertainment of a temporary draftsman, on Rs. 30 per mensem, for employment in the West Coast division.

2. This sanction has been registered as Provincial No. 14 of 1885-86, and classified as Establishment, Temporary. It will have effect from the date on which the sanction accorded in G.O., No. 2811 W., dated 10th November 1884, lapsed, and will remain current until the 31st December 1885.
