In reply to your letter, No. 1816 W., dated 25th July 1884, I am directed to state that the Government of India sanctions the introduction of a permanent establishment of sub-overseers for the Madras Public Works Department, the strength of which is under the control of the Government of Madras, under the Government of India Public Works Code, Chapter I, paragraph 25.

2. As regards the proposal to form a permanent graded establishment of maistries, I am directed to state that it has not been found necessary elsewhere to grade such men in permanent pensionable service, and the Government of India considers that men of this class should be employed as they are required, and be borne on the temporary or works establishment, and I am to request that this course may be followed.

ORDER—dated 24th October 1884, No. 2605 W., Public Works.

Communicated to the officers of the Public Works Department for information and guidance.

2. The pay and qualifications of the lower subordinate establishment to be now entertained are laid down in paragraphs 519 and 520 of the Public Works Code ; but, as far as practicable, vacancies should be filled by men who have passed out of the Civil Engineering College, and who have had some practical experience.

Orders on letter from the Government of India sanctioning the introduction of a permanent establishment of —.

No. 2145.

S. O. No. 1153 W (157)

With reference to the concluding part of C.S. office note, please obtain orders if the sub overseers required under temporary establishment for the Vizagapatam Division can be sanctioned as an addition to the No. of permanent sub overseers already allowed for the Circle vide G.O. No. 2605 W dated 24th October 1884.

Dear Sir,

I thank the Sub Overseer may be sanctioned for the temporary period, but I am not quite sure that it will be better for G.S. to employ him as a temporary establishment. The District Engineer should be asked whether the work could not perhaps be executed by Overseers

Sub Overseers might perhaps be sanctioned against temporary establishment. When the G.S. includes the Sub overseer in the Establishment, he is aware of the orders regarding the temporary establishment. If Sub Overseers are employed, as he evidently wants to do, the number
