GOVERNMENT OF MADRAS.
REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue, dated 19th March 1885, No. 911:—

Read—the following letter from H. W. BLISS, Esq., Commissioner of Salt and Abkari Revenue, to the Secretary to the Board of Revenue, dated Madras, 13th March 1885, No. 2389:—

With reference to G.O., 5th March 1885, No. 281, communicated with the Board's Proceedings, No. 801, dated 10th March 1885, I have the honor to state that the steam launch received from England has been in use in the Ennore circle since its receipt, and has been found most useful. Indeed, if the Buckingham Canal were kept properly cleared out to the standard depth, nothing better in the shape of a launch could be desired.

2. The gig fitted with engines by Messrs. Massey and Co. has not yet been finally taken over from the firm, as I found defects in her which Messrs. Massey and Co. are now putting to rights. When completed, she will be sent to the Covelong circle.

Resolution—dated 19th March 1885, No. 911.

Submitted for the information of Government with reference to G.O., dated 5th March 1885, No. 281.
