Sub-Registrars' Offices in the Malabar District

Estimates for —, sanctioned.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Civil Works.

READ—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, Madras, to the Chief Secretary to Government, dated Ootacamund, 15th May 1884, No. 1674-T. :—

I have the honor to bring to the notice of Government that the sub-registrars' offices which I have inspected at the following stations, in the Calicut district of Malabar, are held in private houses or bazaars. It is desirable that new buildings on the standard design should be built and the offices removed into them; and I request that you will be pleased to obtain the sanction of Government to the necessary plans and estimates being prepared for the purpose by the Public Works Department :—

Koduvayur.
Kondotti.
Chávakád.
Tripriyar.
Tamracheri.
Malapuram.
Wandur.

2. At Koduvayur the building is in the bazaar street. The situation is unsafe for an office with valuable records of title.

3. At Kondotti the building consists of two rooms on the ground-floor and one room on the upper-story, in which the sub-registrar and his clerks sit. The records are kept in one of the rooms below. Parties have to climb up a flight of wooden steps almost perpendicular.

4. The office at Chávakád is on the upper-story of a suite of bazaars. The accommodation, though ample, is not safe.

5. The house at Tripriyar belongs to a Moplah. He occupies the greater portion of it. It is thatched. Parties disapprove of the position, and pray that a new office may be built.

6. A portion of a Local Fund chattram has been utilised at Tamracheri. It is not adapted for an office, but no other building is to be had in the place.

7. The building at Malapuram is thatched. It is close upon the road and runs the risk of being burnt down. The accommodation is inadequate and ill-adapted.

8. At Wandur the building, though conveniently situated, is not suited for an office.

9. At Cochin also the sub-registrar's office is held in a private building. The registrar has been desired to ascertain whether some portion of the late fiscal's cutcherry may not be available. If it is available the Collector will be addressed.

NOTE.—The registrar has since reported that the sub-registry office has been moved into the cutcherry.

10. Of the offices named in paragraph 1, those which should be first built are—

Koduvayur.
Tripriyar.
Kondotti.
Chávakád.
Malapuram.
