Received July
28th August 78

Enclosure to H. M. S. on 12/8/78

Ramanjalu Gah,
you will be at my
Office on the morning of
the 30th without fail
with measurements of
all works and bills for
the same done up to date.
Complete or incomplete
you will measure up all
work as it stands now
without fail. The metal
gravel collected on your
roads will be measured
as it stands. This mea-
surement of course except
where heaps have been spread
will not be quite accurate

Enclosure

Order from Mr Hunter
to Sub Overseer
Ramanujulu Iyer
dated 28th August
directing him
to come over
to Range Office
with all bills for
works in his charge
on the 30th

Hunter

measure up by you. you
cannot of course do this
perfectly accurately but you
can take care to be a little
within the mark so that
when heaps are squared
there may be no difficulty.
Kottasallyam tank bill is
also required so also of the
new culvert in Kattasattam
road if completed or for
as much as is done. Irum-
galam tank bill also is
required. Maintenance
bills for Road No 1, Road
No 13 and Road No 2.

Hunter

you are to have these
ready by the 30th without
fail.

Winfred Kilay -
you will attend the
Range office on the
morning of the 30th August
178 at Musiri with mea-
surements of all road works
and tank works in your taluq
and bills prepared of work
done up to date. Complete
or incomplete the ~~work~~ every
work will be measured by
you as it stands now
and the bill sent in by
the morning of the 30th.
The heaps of road material
as they stand will be

Enclosure
