P. W. D.

Sir,

I have the honor to forward an application for one month and 18 days Privilege leave from Mr. Lambert Executive Engineer doing duty in Masina District from the 1st April. This leave I allowed Mr. Lambert to avail himself of in anticipation of sanction as he was sick.

2. I believe under para 902 I have authority to grant this leave as, although Mr. Lambert is an Executive Engineer, he is one of those who under para 314 is doing ^{the} duty of an Assistant Engineer and therefore under para 200, I may transfer him. The Examiner in his endorsement No. 65.88. 6th dated 9th May

states but gives no reason for his
assertion that the leave requires the
sanction of Government.

3. I forward the application to
you for disposal and request that
I may be informed if in this or in
similar cases, I have authority to
grant Privilege Leave to executive
engineers who are doing Assistant
Engineers' work and who have not
been specially nominated to particular
charges. I shall be glad of an
early decision on this point as I shall
shortly have a similar case as Mr.
Manson executive engineer doing
duty as assistant engineer in Tan-
gore is reported to be in bad health
and will probably very shortly have
to be given Privilege Leave.
