GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from L. R. BURROWS, Esq., Collector of Nilgiris, to the Chief Secretary to Government, dated Ootacamund, 2nd March 1885, No. 18:—

In forwarding herewith an original letter and plan from Captain Speed, the Honorary Secretary of the Ootacamund Boat Club, I have the honor to recommend that the Boat Club Committee may be allowed to construct a boat-house at the site shown in the plan. As the boat club will be more or less a public institution of which visitors will be able to avail themselves and which will add to the attractions of the station as a sanitarium and place of recreation, I recommend that no assessment be charged for the site, but that the committee be given to understand that the land remains Government land, that when it is no longer required for the purpose of a boat-house it is to be surrendered to Government, and that it must be vacated and given up to Government without compensation if required for a public purpose on six months' notice being given.

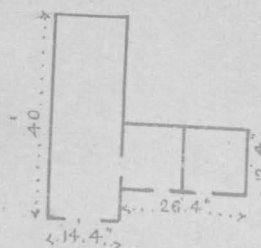

2. The land I-34 is Government property and was recently acquired from the representatives of the late Mr. Sidden, proprietor of Primrose House Hotel. It is not proposed to enclose any given portion of land. The committee would not be at liberty to do this without fresh sanction.

3. It is requested that the plan may be returned when no longer required.

ENCLOSURE.

Letter from the Honorary Secretary, Ootacamund Boat Club, to the Collector of the Nilgiris, dated Ootacamund, 2nd March 1885, No. 272-D-85.

On behalf of the Committee of the Boat Club I have the honor to request your favorable recommendation to Government for permission to build a boat-house on Government land at the site shown in the attached plan. The building will be of brick with a corrugated iron roof; the ground plan of which is shown hereon.
