Not Comm.
With reference to G.O. Public,
dated 17th April 1885, No. 940 (Misc),
I have the honor to state that
the Superintendent of the School
of Arts reports that he can not
spare two separate rooms for
the Archaeological Survey depart-
ment, but that he can place
at its disposal considerably better
accommodation than he was
able to do last year.

ceived with the G.O. under
reference are herewith returned
