Note.

The Accountant in the L.A. office says that the sum of Rs 1500 allotted in G.O. No: 597 W dated 13th May 1885 has been included with the grant for improvements to the Lehapak Park and that the full amount of the estimate (Rs 18,878) is required during the current year as this estimate has been sanctioned separately.

The sum of Rs 18,878 has accordingly been inserted in the draft order.

As all information regarding surrenders of grant for Criminal major works is ordered to be sent direct to this office, the accompanying application for additional funds received from the Consulting architect to Government may be transferred to this office for consideration of the demand along with the savings reported. This office has not got sufficient information to determine whether the amount required can be made available -

Of the amount of estimate for the work, a sum of Rs 1500 was allotted during 1884-85.

of 13.3.85, — so that the full amount of estimate is not required for expenditure in 1885.6.

As the work was begun during 1884.5, should it not be treated as an unfinished work?

To W.

The C.A. applies for the full amount of the estimate, but this may be a mistake —

As the work was begun in 1884.5, it should apparently be treated as an unfinished work, & funds should be allotted for its completion.

Draft order submitted for approval — The correct amount of allotment may perhaps be filled in at once, after inquiry in the C.A.'s office.

Note of available funds.

Two estimates have been sanctioned for works connected with "forming of roads &c in Chepāk Park"; one for Rs 25,249 sanctioned in G.O. No: 1025W, dated 30th April 1885 and the other for Rs. 18,878 sanctioned in G.O. No: 1075W dated 8th May 1885. Budget item No: 115 represents the first estimate. It provides to the extent of the unspent balance of the sanctioned amount. G.O. No: 1259W d/30th May 1885 provides to the full extent of the latter estimate from the reserve with Govt. The works connected with the forming of roads &c in Chepāk Park are therefore provided to the full extent of the sanctioned estimates.

Please let me know by return of post how the work, forming roads &c in the Chepāk Park, stands with respect to funds -

If from what is stated, all the road work in the Chepāk Park is included ~~in the~~ under Budget item 115, "Planting & maintaining Chepāk Park" estimate Rs 25,249.

Soon after the commencement of the official year, the C.A. submitted an estimate of Rs 19,000 & odd I think, for the additional work in connection with laying out roads

English news of February
or March, & if true
not mistaken, a large
allotment was made
from the Provincial
reserve funds to
supplement the small
Budget provision of Rs
3273.

Any way, let me
know at once please,

how the matter stands
locally.

From Lieutenant-Colonel J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepāk, 18th April 1885, No. 77:—

With reference to your memorandum, No. 479 C., dated 9th March 1885, I have the honor to submit, for sanction and provision of funds, an estimate, amounting to Rs. 18,878, for opening a new public road through the Chepāk and Government House parks, and for effecting the other improvements detailed in your memorandum and pointed out to me by yourself personally.

2. The estimate has been carefully prepared and the work is in active progress, to be completed by the end of September at latest.

3. The report attached to the estimate gives full particulars.

From the Consulting Architect to Government, dated 2nd May 1885, No. 145.

ORDER—dated 8th May 1885, No. 1075 W., Public Works.

The estimate, amounting to Rs. 18,878, for opening a new public road and other improvements in the Chepāk park, is sanctioned for execution by the Consulting Architect.

2. Funds will be provided on application for the exact sum required during the current official year.

3. This sanction has been registered as Provincial No. 27 W. of 1885-86, and classified as "Miscellaneous Public Improvements, Original Works."

READ—the following letter from Lieut.-Colonel J. L. L. MORANT, R.E., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepāk, 15th April 1885, No. 50 :—

I have the honor to submit, for the approval and sanction of Government and provision of funds, an estimate, amounting to Rs. 3,273, for planting and maintaining the Chepāk park for the first half of the current official year ending 31st September 1885.

2. This estimate, it will be observed, is Rs. 684 in excess of the estimate sanctioned in G.O., No. 2823 W., dated 11th November 1884, Public Works Department, for the latter half of the official year 1884-85.

3. The planting operations have been greatly extended. They first comprised but a small portion of the park. Planting is now carried on, however, over a larger extent of ground and along the banks of the Kuam river opposite to Government house and also along the Hindu cemetery on the South Beach road.

4. When once the initial steps for beautifying the park have been completed, the cost of the upkeep of the arrangements can be lessened.

ORDER—dated 30th April 1885, No. 1025 W., Public Works.

The estimate, amounting to Rs. 3,273, for planting and maintaining the Chepāk park during the first half of the current official year, is sanctioned as supplemental to the estimates referred to in G.O., No. 2823 W., dated 11th November 1884. The total sanction for the work will now stand at Rs. 25,249.

2. Funds, to the extent of the estimate now sanctioned, will be provided in the final issue of the Provincial budget for 1885-86.

3. This sanction has been registered as Provincial No. 21 W. of 1885-86, and classified as Miscellaneous Public Improvements, Original Works.
