Similar establishment sanctioned for past year—vide G.O., No. 1769, dated 19th July 1884. In G.O., No. 1641, dated 12th June 1883, the pay of the Boat superintendents was sanctioned at Rs. 30 per mensem, but as those men were then new to the department, only Rs. 20 were paid to each. As they have learnt their work, their pay has, for the present, been raised to Rs. 25. Employed in drawing plans of all the works on the canal to uniform scale. Increased salary is recommended to prevent the draftsman leaving the service as he has better offers elsewhere. His employment for a further period of twelve months is necessary to finish the work he is now engaged upon.

READ—the following letter from Lieut.-Colonel H. M. VIBART, R.E., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Kamalapuram, 29th June 1884, No. 648:—

I have the honor to request that the following corrections may be made in the estimate of the temporary establishment printed with G.O., No. 1419 W., of 6th June 1884:—

Proposed Scale.				Pay.	
				RS.	RS.
1 Boat Superintendent at Kurnool	...	...	For	15	Read 20
1 Do. at Cuddapah	...	...	"	15	" 20

Total ...	...	...	"	15,640	" 15,760

2. The Executive Engineer states that the proposed pay of Rs. 15 for boat superintendents is insufficient, and that it should be raised to Rs. 20; hence the necessity for the correction.

ORDER—dated 19th July 1884, No. 1769 W., Public Works.

The proposal of the Superintending Engineer, III Circle, to raise the salaries of the boat superintendents at Kurnool and Cuddapah to Rs. 20 per mensem each, from Rs. 15 as sanctioned in the proposition statement printed with G.O., No. 1419 W., dated 6th June 1884, is approved.

2. The necessary correction will be carried out in the proposition statement referred to above.
