22^d May 1885, No. 2766.

Warrant Officers.

Read the following paper :—

No. . From Colonel A. CROOKSHANK, Officialing Deputy Secretary to the Government of India, Military Department, to the Commissary-General, Bengal; dated Simla, 6th May 1885, No. 310-A.

Warrant Officers.

In reply to your letter, No. 584-A., dated the 11th April 1885, I am directed to say that the Government of India sanction the re-employment in the Commissariat department of Deputy Commissary and Honorary Major H. B. Steward and Conductor J. H. Mee, of the Pension establishment, for so long as their services might be needed to take up the places of the warrant officers of the department ordered on field service. During the period the above two warrant officers are so employed, they will draw the staff pay and allowance which they drew prior to their transfer to the pension list, their pensions being for the time held in abeyance.

2. You are also authorized to re-employ, on the above conditions, pensioned warrant officers whose services may be actually required.

3. I am to add that compulsory retirement among warrant officers under the operation of the fifty-five years of age rule cannot be temporarily suspended, as it would affect injuriously the prospects of the juniors as regards pay and pension. But, in order that the services of men thus superannuated may be utilized, the Government of India sanction their being placed on a supernumerary list and promotion being made in their room.
