To,

The Superintending Engineer
 1st Circle.

Sir,

Adverting to G. O. No 1380 W. dated 3rd June 1884 sanctioning increase of Rupees 5 to the salaries of the Carpenter Maistry R. Veeriah and Litter Maistry K. Audiah, I have the honor to submit the claims of the other two maistries noted in the margin as promised in my letter No 464 dated 28th March 1884 as they continue to work satisfactorily -

2. As already brought to notice in my letter quoted above, the men having arrived at the head of their several trades they cannot expect any promotion, but as a reward and encouragement for their long and good service, I consider it necessary to recommend a small increase to

L. Lutchmiah. Foundry Maistry.
 P. Bashiem. Smiths Maistry.

[Faint, mostly illegible handwritten text, likely bleed-through from the reverse side of the page. The text appears to be a letter or report, possibly dated 1885, mentioning 'Government of India' and 'Public Works Department'.]

Note.

In the accompanying letter from
 S. E. I circle sanction is solicited
 for an increase of Rs 5 to two maistries
 employed in the Dowlaisheraw Work-
 shops. The extra cost is only Rs 10, but
 under the orders of the Govt. of India
 communicated with G. O. No: 1147 W
 d/15th May 1885, "all proposals for in-
 creases of salaries or of establishments
 should be narrowly scrutinised."

Submitted for orders.

May

Draft order to the
 effect that the
 increases cannot
 be sanctioned at
 present owing to
 restrictive orders.
