READ the following:—

No. 16, dated 9th March 1882.

From—The Secretary of State for India,

To—The Government of India.

As the steamers of the Peninsular and Oriental Steam Navigation Company proceed direct to London, and no longer touch at Southampton, the clearance of all packages forwarded from India by this route is now effected by the Store Department of this Office. I am informed that advices of the packages, in the form of a "Manifest Paper," have hitherto been forwarded direct to Messrs. Hill, Obree & Co., the Agents of this Office at Southampton, by the despatching officers in India, so as to anticipate the arrival of the packages. I have, therefore, to request that instructions may be issued for the transmission of similar advices in future to the "Superintendent, India Store Depôt, Belvedere Road, Lambeth, S.E."

2. Each package should be distinctly marked with a number, which should be shown in the "Manifest Paper" or Advice, and in the "List of Packets," forwarded to this Office.

ORDER.—Ordered, that the foregoing despatch be communicated to all Local Governments and Administrations; to the several Departments of the Government of India; and to the Mint Masters, Calcutta and Bombay.
