Memorandum.

Reasons for the increase of Establishment.

1301/7

For report

1 Clerk 5th Class 1st Grade.

At present there are only 2 Clerks in the Accounts branch and the assistance rendered by them to the Accountant being insufficient an additional Clerk is very necessary.

During his recent inspection of the Divisional Office Mr H. Rainer Deputy Examiner Public Works Accounts has also in his notes Para 10 printed in G.O. No 326 W. of 12th February 1885, remarked that a 3d Clerk is necessary and sanction of Government is therefore solicited for the entertainment of a Clerk 5th Class 1st Grade.

1 Draftsman.

The proposal to employ a 3d Draftsman has been rendered necessary by the accumulation of arrears in consequence of the absence of an efficient head draftsman for more than one year.

1 Shroff on Rupees 10.

Required very urgently to assist the Cashier when making payments throughout the whole of the Division.
