No. 5 (Financial—Stores), dated 19th February 1885.

From—The Secretary of State for India,

To—The Government of India.

Packages for this Office which are not forwarded by the mail, consisting usually of bulky official reports, books, &c., are frequently received without any advice, or before the bill of lading, or other document advising their despatch, has reached this country. This absence of proper advices occasions delay in receipt, and increases the dock charge for rent, as well as the chance of miscarriage.

2. It therefore seems desirable that all such packages should be forwarded through an officer who would be responsible for the due transmission of the proper advices to the Superintendent of India Store Depôt, Belvedere Road, Lambeth, S.E., so as to anticipate the arrival of the packages, as requested in Lord Hartington's despatch No. 16, dated 19th March 1882.

3. The Agent of Government Consignments could probably undertake this duty at Calcutta; and I request that similar arrangements may, if practicable, be made at Madras and Bombay.

ORDER.—Ordered, that a copy of the despatch be forwarded to all Local Governments and Administrations, to the several Departments of the Government of India, to the Comptroller and Auditor General, and to the Mint Masters, Calcutta and Bombay, with the request that in future when packages are sent to a Government agent for despatch, that officer be instructed to send on the bill of lading to the Superintendent, India Store Depôt, Belvedere Road, Lambeth, S.E. The Departments to which the Government shipping agents are subordinate are also requested to communicate the despatch to the agents, with instructions that as a rule, without exception, they must send bills of lading direct in future in all cases, informing consignors that they have done so, in accordance with the Secretary of State's despatch and departmental orders.

Simla, the 17th April 1882.

READ the following:—

No. 16, dated 9th March 1882.

From—The Secretary of State for India,

To—The Government of India.

As the steamers of the Peninsular and Oriental Steam Navigation Company proceed direct to London, and no longer touch at Southampton, the clearance of all packages forwarded from India by this route is now effected by the Store Department of this Office. I am informed that advices of the packages, in the form of a "Manifest Paper," have hitherto been forwarded direct to Messrs. Hill, Obree & Co., the Agents of this Office at Southampton, by the despatching officers in India, so as to anticipate the arrival of the packages. I have, therefore, to request that instructions may be issued for the transmission of similar advices in future to the "Superintendent, India Store Depôt, Belvedere Road, Lambeth, S.E."

2. Each package should be distinctly marked with a number, which should be shown in the "Manifest Paper" or Advice, and in the "List of Packets," forwarded to this Office.

ORDER.—Ordered, that the foregoing despatch be communicated to all Local Governments and Administrations; to the several Departments of the Government of India; and to the Mint Masters, Calcutta and Bombay.

Offg. Asst. Secy. to the Govt. of India.
