READ—the following letter from Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 21st April 1885, No. 1388 A :—

I have the honor, by order, to forward, for sanction and transfer to the Public Works Department for disposal, the estimate, plans, &c., below-mentioned, which have been approved by the Commander-in-Chief. The plans and estimate have been countersigned :—

I. Estimate, amounting to Rs. 1,130, for converting a portion of No. 5 barracks at Wellington into a canteen, and the present canteen into a store-room.

II. Two plans with report and specification.

2. The Quartermaster's stores now occupying a part of the barracks will be removed to the building at present used as a canteen, and the space thus made available will be resumed to afford barrack accommodation in lieu of the portion proposed to be given up for the canteen.

3. In submitting the above His Excellency hopes that funds may be found during the present year to carry out the proposed alterations, which he considers specially desirable owing to the canteen being at present most undesirably situated as regards the church now in course of construction.
