Sir,

I have the honor to forward herewith an Estimate amounting to Rs. 1,550 for re-matting the floors of this Office down-stairs with rattan mats, with request that the same may be sanctioned to be met from the Contingencies of this Office.

2. The old mats which were put down over seven years ago are not worth repairing, having been destroyed by white ants and the previously damaged state of the floors. The asphalt flooring should help to preserve the new mats in better condition for a longer period.

I have the honor to be,

Sir,

Your Most Obedient Servant.
