With reference to G.O. No. 2421, dated 13th October 1884, and memorandum, No. 2713, dated 6th current, Financial Department, I have the honor to submit a list, which it is desirable to add to the one sent with demi-official of the 9th instant, from the Assistant Secretary to Government.

2. As regards item No. 2,* Assistant Superintendent's bungalow at Tirupatúr, Salem, it is proposed to purchase the railway bungalow at that place which is now rented by that officer. Negotiations in this direction are being made, and the result will be duly communicated. The amount required for the purchase and improvement of the building is roughly calculated at Rs. 5,000.

3. As the result of the treaty for the purchase of the Gold Mining Company's bungalow, &c., at Devalá is still awaited, I have included the items Nos. 3 and 4,† so that in the event of the negotiations failing, and the grant for these items in 1884-85 lapsing, appropriation in the next year may be secured.

It is observed that, in certain exceptional localities, the Government has undertaken the provision of suitable residences for its officers, subject to a charge for rent. From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 25th February 1885, No. 95 E.W.:—

As directed in G.O. No. 205 W., dated 26th January 1885, I have the honor to submit, herewith, a valuation statement of the bungalow at Tirupatur, belonging to the Madras Railway Company, which they are willing to sell for Rs. 4,000, and which the Police Department require as a residence for the Assistant Superintendent. The statement shows that, after making large deductions for deterioration of the materials, the buildings are worth Rs. 5,270, and it is therefore advisable to accept the offer of the Railway Company. The cost of repairs would be about Rs. 300.

From Colonel H. D. CLOETE, Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 26th March 1885, No. 1685.

With reference to your endorsement No. 555, dated 7th March 1885, on Public Works Department endorsement No. 423 C., dated 3rd March 1885, on letter* No. 95 E.W., dated 25th February 1885, forwarding a valuation statement of the railway bungalow at Tirupatur, I have the honor to report that there are at Tirupatur only four houses suitable for occupation by Europeans,—the Mission house, the Head Assistant Magistrate's house, the railway bungalow, and an unfinished and barely habitable house belonging to the inspector of police.

* Resubmitted.

2. The first is the property of the London Missionary Society, and is always occupied; the second will never be available so long as Tirupatur is the headquarters of the Head Assistant Magistrate; the third is at present rented by the Assistant Superintendent of Police from the Madras Railway Company, and is the one which it is proposed to purchase; the fourth is not in a condition to be rented, but is offered for sale at Rs. 3,500.

3. The present value of the inspector's bungalow is estimated at Rs. 2,000. The cost of completing it would be about Rs. 3,500, and even then it would not be so commodious or so substantial a building as the railway bungalow, which is offered for sale at Rs. 4,000.

4. If this railway bungalow is not purchased by Government, the Railway Company propose to pull it down; and, in that case, the Assistant Superintendent at Tirupatur will be houseless.

5. Under these circumstances, I recommend that the railway bungalow be purchased for the residence of the Assistant Superintendent at Tirupatur.

Sir,

Adverting to circular No. I, Public Works, dated 10th February 1885, I am directed to request the sanction of the Government of India to the purchase of a house at Tirupatur, in the Salem district, as a residence for the Assistant Superintendent of Police.

2. It is represented that at Tirupatur there are only four houses suitable for occupation by Europeans. Of these, two are permanently occupied as a Mission house and the Head Assistant Magistrate's residence; and the third, the property of an inspector of police, is in a great state of disrepair. The fourth, the house now occupied by the Assistant Superintendent of Police, is the property of the Madras Railway Company, who do not desire to retain it, but propose to dismantle it if it be not purchased by the Government, in which case the Assistant Superintendent of Police would be houseless.

3. The valuation estimate of the building prepared by the Public Works Department, after making large deductions for deterioration of materials, amounts to Rs. 5,270, but the Railway Company are prepared to accept Rs. 4,000 for it. The purchase would therefore be an advantageous one, and a return on the capital expended would be obtained from the rent, which would be levied in accordance with code rules.

4. If the proposal be approved by the Government of India, an estimate will be sanctioned by this Government in the usual manner.

Of these, two are permanently occupied as a Mission house & the Head Asst Magistrate's residence; & the third, the property of an Inspector of Police, is in a great state of disrepair. The fourth, the house now occupied by the Asst Supt. of Police, is the property of the Madras Railway Co., who do not desire to retain it, but propose to dismantle it if it be not purchased by the Govt., — in which case the Asst Supt of Police would be houseless.

3. The valuation estimate

of the building, prepared by the P. W. Dept, after making large deductions for deterioration of materials, amounts to Rs 5,270; but the Raily. Co. are prepared to accept Rs 4,000 for it. The purchase would therefore be an advantageous one, & a return on the capital expended would be obtained from the rent which would be levied in accordance with Code rules.

4. If the proposal be approved by the Govt of India, an estimate will be sanctioned by this Govt in the usual manner.
