My dear Major,

I have applied for eighteen-months furlough from next May and intend going to South Australia. If it is allowable I should like to have a certificate from the Chief Engineer as to my actual services under the Indian Government and also all copies of all reports concerning me made by Government. I have hopes all going well of getting employment under the Australian Government and there may be necessary for me – If you can obtain them for me I shall be very much obliged

Yrs sincerely
