Superintending Engineer's office,
2nd Circle, Camp Bezwada
No. 117 K. S. 20th April 1885

From

The Superintending Engineer
2nd Circle.

To

The Examiner
Public Works Accounts.

Sir,

I have the honor to acknowledge the receipt of your No. 13 of the 14th instant, which has, I conclude, been written in ignorance of the circumstances under which the Executive Engineer and one of the Assistant Engineers attached to the Krishna Western Division have accommodation in the office building at Duggirala.

2. There are no bungalows or other accommodation at Duggirala.

Sir

3. In the office constructed about 2 years ago, one office room for the Executive Engineer and one office room for each of the Assistants were provided.

4. The Executive Engineer now uses as his residence and office, his own office room and that of one of the Assistants, who is stationed at Bapatla.

5. The other Assistant occupies his own office.

6. I need hardly say, that these officers would prefer to live in proper Bungalows, had these been provided for their use.

7. Stables and outhouses have been built at the officer's own expense, and the rent fixed by me, is merely a nominal sum, and is not calculated
either

either according to Code para 1229 or G.O. No. 2944 dated 28th November 1884, neither of which are applicable to the circumstances of the case.

8. Should you not be satisfied with my decision in this matter, I request you will be good enough to refer the matter for the orders of Government, furnishing a copy of this letter.

I have &c.
